Skanadario Hosts an Evening with Chef Scott Gottlich from Bijoux Restaurant

Chef Scott Gottlich, owner of one of the "hottest new restaurants of 2007 in America," joined Skanadario for a cooking demonstration and tasting event. The 2007 Rising Star chef talked about his restaurants, popular dishes, and general preparation techniques. Gottlich also prepared a tasting menu on our Miele appliances including a savory custard (steam oven) with roasted tomatoes (convection oven) and a basil froth (built-in coffee maker's frother).

Jeffrey introduces Chef Scott Gottlich.
