Skanadario Prepares for Texas Sales Tax Holiday on Energy Star Appliances

Skanadario, the Frisco, TX based decorative plumbing, hardware, and appliance showroom has prepared for the upcoming Energy Star Appliance Sales Tax Holiday for Memorial Day Weekend with exciting events, promotions, and displays.

Frisco, TX (PRWEB) May 11, 2010 -- Skanadario, the Frisco, TX based decorative plumbing, hardware, and appliance showroom has prepared for the upcoming Energy Star Appliance Sales Tax Holiday for Memorial Day Weekend with exciting events, promotions, and displays to encourage homeowners to save money while saving energy and water, and update their kitchens and laundry rooms.

Many consumers were disappointed when they were unable to apply for and receive rebates for the Texas Trade-Up Appliance Rebate Program in April. The state's website was overrun. "Obviously there is consumer interest in updating to Energy Star appliances and saving money. The pent up demand from the millions of people that tried to get a rebate in the last program demonstrates that fact," says Jeffrey Goodman, VP of Skanadario. "The sales tax holiday is available for everybody that is interested in participating. We're every excited about this upcoming weekend."

"We updated our showroom with some of the newest, most water and energy efficient dishwasher and laundry models on the market today," said Scott Cavender, showroom manager. "We've made the changes especially for this weekend." Skanadario's new dishwasher displays include Viking's new VB450SS with it's Central Intelligence System, Asko's new 5000 series dishwashers, Miele's new Optima series dishwasher, and Bosch's new dishwashers., including its new 800+ series. Skanadario's laundry displays include Miele's Extra Large Capacity washer and dryer and Bosch's Vision series wash and dryer. "All models from these brands are Energy Star rated," added Cavender. "They really are among the best available."

To celebrate the special event and Memorial Day weekend, Skanadario will host a Summer Kick-Off Cookout at the showroom. On Saturday afternoon, May 29, from 11 to 1, Skanadario invites homeowners to visit the showroom, enjoy a lunch cooked on one of the grills, and shop for Energy Star appliances.

Skanadario and its manufacturers have prepared numerous rebates, programs, and specials that coincide with the sales tax holiday, providing even greater deals and savings for homeowners. "We're happy to help homeowners save on their investment, which will ultimately help them save money on their water and utility bills, and lessen their impact on the environment," explains Goodman. "It's a win-win all around."

About Skanadario

Skanadario, Iroquois for “beautiful water,” is the showroom division of Goodman Supply. The showroom features decorative plumbing, elegant hardware, and luxury appliances. The plumbing part of the showroom, one of the only American Standard gallery showrooms in the country, displays a wide range of kitchen and bath products, including American Standard’s Jado and Porcher luxury brands. Additionally, the showroom carries international designer lines and local products from Texas-based artisans and companies.

The appliance showroom features luxury appliances from Viking, Miele, Thermador, and Bosch. Additional specialty lines include Vent-A-Hood, U-Line, Asko, Gaggenau, Hoshizaki, and Independent. Working displays include Miele’s Master Chef Oven as well as its Steam Oven, Speed Cook Oven, and built-in coffee maker.

Skanadario is located at 9750 John W. Elliott Drive in Frisco. The showroom is open Monday from Friday, 8 a.m. to 6 p.m. and Saturdays from 8 a.m. to 1 p.m. For more information on Goodman Supply and Skanadario, contact the showroom at 972-668-4663 or visit www.Skanadario.com.
